- 21st Y6 Standon Bowers
Governors meeting

Looking Forward

Parents' Evening

I was planning our parents evening before sending this letter out – but it now looks possible that the roadmap is going to be extended for a bit. With that, it is unlikely we can have the in person meetings I had hoped for. Watch this space.

Sports Day – Roadmap dependent.

Potentially, Sports Day Week starts on the 5th July. We start at 14:00 on the main field and gates will open about 13.30.

Parents should spread out in the area set aside for them (hopefully coned off) and should attempt to follow social distancing rules. Masks are not mandatory but if you wish to wear them, please feel free to do so.

Some classes may conduct their field events on the same day. In that case the activities will be split – to your front will be the track events and to your back will be the field events. Chairs will be provided.

Children from school can go straight home with parents after the event.... BUT... they will be dismissed from class. Parents will need to make their way to the appropriate doors. Nursery will dismiss from their door.

We won't be able to organise siblings to be dismissed as well I'm afraid so if you have siblings in school you will need to wait until home time.

Should the roadmap be extended, we will have sports day but without an audience of parents.

Y5/6 - 5th July

Y3/4 - 6th July

Y1/2 - 7th July

Nursery & R - 8th July

Old hands will know that William Amory sports days bring weather that is almost – but not quite – wet, windy and dull. Parents may need to note, therefore, that the whole week is now likely to be a lousy drying week for laundry.

Signposts and Information

Delta Variant

Please find attached a letter from Dr Harling (Director of Health SCC) regarding the new variant.

As always, I will always do my best to speak to you about any concerns you may have on the day so please feel free to approach me, either on the playground or book an appointment if you prefer.

Mr B Wilken
